Notes: Prices are all-in with no additional print charges.

Typical turnaround is 5-7 business days from the garment order and art approval. During our expansion here in the first half of 2011 expect a slightly longer 7-9 business day turn. If you have a critical in-hand date, just let us know.

We print with non-toxic, certified phthalate-free inks and soy-based, drain-safe cleanups. These healthier, environmentally sound inks and chemicals simply cost more than conventional equivalents. Please bear this in mind when comparing quotes.

Payment is due either in full at time of order or half down with order.

Please allow for up to 3% waste/overage on all custom orders. If you need an exact quantity, always order extra pieces.

Thank You!!!
